ACCEPTABLE USE POLICY

IMPORTANT NOTICE: *All Payments To DDos Protected, Inc. are Non-Refundable

The following is DDos Protected, Inc.'s AUP (acceptable use policy) This policy is subject to change without notice. Changes to this AUP will be posted on this site and it is the responsibility of the customer to be familiar with the policy posted below. DDos Protected, Inc. is a registered Missouri, USA Corporation. The laws of Missouri, USA will apply, other applicable laws notwithstanding.

- 1. Illegal use:** DDos Protected, Inc.'s services may not be used for illegal purposes, or in support of illegal activities. DDos Protected, Inc. reserves the right to cooperate with legal authorities and/or injured third parties in the investigation of any suspected crime or civil wrongdoing.
- 2. Threats:** Use of DDos Protected, Inc.'s services to transmit any material (by e-mail, uploading, posting or otherwise) that threatens or encourages bodily harm or destruction of property.
- 3. Harassment:** Use of DDos Protected, Inc.'s services to transmit any material (by e-mail, uploading, posting or otherwise) that harasses another.
- 4. Forgery or impersonation :** Adding, removing or modifying identifying network header information in an effort to deceive or mislead is prohibited. Attempting to impersonate any person by using forged headers or other identifying information is prohibited. The use of anonymous remailers or nicknames does not constitute impersonation.
- 5. Fraudulent activity:** Use of DDos Protected, Inc.'s services to make fraudulent offers to sell or buy products, items, or services, or to advance any type of financial scam such as "pyramid schemes" and "chain letters."
- 6. Unsolicited commercial e-mail / Unsolicited bulk e-mail (SPAM)** Use of the DDos Protected, Inc.'s service to transmit any unsolicited commercial or unsolicited bulk e-mail is expressly prohibited. Violations of this type will result in the immediate termination of the offending DDos Protected, Inc. account.

IMPORTANT NOTICE:

Anyone hosting a website or service on their account that support spammers or cause any of our IP space to be listed in any of the various Spam Databases will have their account immediately removed from our network.

- 7. E-mail / News Bombing:** Malicious intent to impede another person's use of electronic mail services or news will result in the immediate termination of the offending DDos Protected, Inc. Account.

8. E-mail / Message Forging : Forging any message header, in part or whole, of any electronic transmission, originating or passing through DDos Protected, Inc.'s services is in violation of this AUP.

9. Usenet SPAMING: DDos Protected, Inc. has a zero tolerance policy for the use of its network for the posting of messages or commercial advertisements, which violate the rules, regulations, FAQ or charter of any newsgroups or mailing list. Commercial messages that are appropriate under the rules of a newsgroup or mailing list or that are solicited by the recipients are permitted.

10. Unauthorized access: Use of DDos Protected, Inc.'s services to access, or to attempt to access, the accounts of others, or to penetrate, or attempt to penetrate, security measures of DDos Protected, Inc.'s or another entity's computer software or hardware, electronic communications system, or telecommunications system, whether or not the intrusion results in the corruption or loss of data, is expressly prohibited and the offending DDos Protected, Inc. account is subject to immediate termination.

11. Copyright or trademark infringement: Use of DDos Protected, Inc.'s services to transmit any material (via XDCC, by e-mail, uploading, posting or otherwise) that infringes any copyright, trademark, patent, trade secret or other proprietary rights of any third party, including, but not limited to, the unauthorized copying of copyrighted material, the digitization and distribution of photographs from magazines, books, or other copyrighted sources, and the unauthorized transmittal of copyrighted software. Authorities may be contacted.

12. Collection of personal data: Use of DDos Protected, Inc.'s services to collect, or attempt to collect, personal information about third parties without their knowledge or consent.

13. Network disruptions and unfriendly activity: Use of DDos Protected, Inc.'s services for any activity which affects the ability of other people or systems to use DDos Protected, Inc.'s services or the Internet. This includes "denial of service" (DOS) attacks against another network host or individual user. Interference with or disruption of other network users, services or equipment is prohibited. It is the customer's responsibility to ensure that their network is configured in a secure manner. A customer may not, through action or inaction, allow others to use their network for illegal or inappropriate actions. A customer may not permit their network, through action or inaction, to be configured in such a way that gives a third party the capability to use their network in an illegal or inappropriate manner. Unauthorized entry and/or use of another company and/or individual's computer system will result in immediate account termination. DDos Protected, Inc. will not tolerate any subscriber attempting to access the accounts of others, or penetrate security measures of other systems, whether or not the intrusion results in corruption or loss of data.

14. Fraud: Involves a knowing misrepresentation or misleading statement, writing or activity made with the intent that the person receiving it will act upon it.

15. Infringement of Copyright, Patent, Trademark, Trade Secret, or Intellectual Property Right: Distribution and/or posting of copyrighted or the a fore mentioned infringements will not be tolerated.

16. Distribution of Viruses : Intentional distributions of software that attempts to and/or causes damage, harassment, or annoyance to persons, data, and/or computer systems are prohibited. Such an offense will result in the immediate termination of the offending

account.

17. Inappropriate Use of Software: Use of software or any device that would facilitate a continued connection, i.e. pinging, while using DDos Protected, Inc.'s services could result in suspension service.

18. Third Party Accountability: DDos Protected, Inc. subscribers will be held responsible and accountable for any activity by third parties, using their account that violates guidelines created within the Acceptable Use Policy.

19. Adult content: Adult materials are not allowed on DDos Protected, Inc.'s network. IRC Channels or material or media of any type, which support, condone or practice in illegal activities, imply or suggest child pornography or underage sexual acts or conduct, are prohibited.

20. Disallowed software:

- DDOS Bots
- iroffer
- war scripts
- emech

21. Respect package limitations: a) Only processes of the types outlined in an accounts associated package type may be executed. b) No more processes may be executed than are stipulated in the associated package type. c) Do not exceed Disk or Network resource allocations as stipulated in the associated package type.

22. Behaving in such a way as to attract Internet attacks against DDos Protected, Inc.servers is grounds for suspension or cancellation at the company's discretion. Bringing or causing negative publicity against DDos Protected, Inc. shall be grounds for suspension or cancellation at the company's discretion. Immoral, illegal or unethical conduct or usage of DDos Protected, Inc. equipment or bandwidth shall also be grounds for suspension or cancellation at the company's discretion.

23. Do not give away your account information.

24. Excessive CPU or Memory usage will result in a process being terminated. Subsequent violations will result in notice, and failure to comply with said notice is grounds for suspension or cancellation at the company's discretion.
